

4.1 Institutional Vision

i) Vision Document:

The college is committed to nurturing well-rounded individuals by imparting a strong value-based education, instilling a deep sense of patriotism, and promoting social responsibility. The college aims to offer a national platform and create a holistic, dynamic learning environment that cultivates competitive skills, enhances both mental and spiritual well-being, sharpens clarity of thought, and elevates the character and overall happiness of its students.

ii) Institutional Development Plan for the College (Session 2023-24)

1. Formation of Old Student Association (OSA)

The **Old Student Association** will be formed and registered under the Himachal Pradesh Societies Registration Act to create a platform for alumni engagement. The OSA will support current students through mentorship programs, networking opportunities, and fundraising for institutional development.

2. Up-gradation of Computer Lab

The existing computer lab will be upgraded with the acquisition of new computers and updated software systems. This will provide students with access to the latest technology, enhancing their learning experience, digital literacy, and technical skills.

3. Construction of Water harvesting Management Tank

A harvesting tank will be constructed as part of the institution's dedication to sustainability and environmental responsibility. This initiative will encourage water conservation and foster eco-friendly practices across the campus.

4. Development of College Website

A user-friendly and informative website will be developed to serve as a central hub for academic resources, event announcements, and important updates. It will also include an online portal for both students and staff, streamlining access to essential services and information.

5. Installation of Complaint/Suggestion Box

Complaint and suggestion boxes will be installed at accessible locations around campus to encourage feedback from students and staff. This will allow the administration to address concerns and implement improvements more effectively.

6. Minor Repairs and Whitewashing of College Building

Minor repairs and whitewashing will be carried out to maintain the structural integrity of the college buildings. A fresh coat of paint will improve the aesthetic appeal, creating a cleaner and more welcoming environment for the college community.

7. Installation of LED Lighting

Conventional lighting systems will be replaced with energy-efficient LED lights throughout the campus. This transition will lower electricity consumption, reduce operational costs, and support the college's sustainability objectives.

8. Celebration of Important Days

The important days of national and international will be celebrated throughout the academic year. These events will promote a sense of community and enhance cultural awareness among students and staff.

9. Organization of Conferences and Seminars

Every faculty member will organise seminars and conferences during the year that bring together experts, scholars, and students to discuss current research, innovations, and trends in various fields. This will enhance the academic reputation of the college and provide opportunities for intellectual growth.

10. Establishment of Mentor-Mentee Group:

Mentor-Mentee Group will be established so that the mentors identify the slow learners, moderate learners and advanced learners students. Special classes and guidance will be provided to all such students. Based on these assessments, guidance and special classes will be provided to support the diverse learning needs of all students.

11. Special Classes for weak students

Identified slow learners facing challenges in their studies will be provided with remedial classes. The targeted sessions will provide additional support and resources to help them improve their academic performance.

12. Special Classes for moderate and advanced Learners:

Innovative guidance will be offered to moderate and advanced learners to help them excel in their academic pursuits and career aspirations. This support will include personalized mentorship, skill developments, and opportunities for higher studies and jobs.

This plan provides a clear roadmap for institutional development, ensuring the holistic growth of both infrastructure and the academic environment while engaging alumni, promoting sustainability, and encouraging intellectual and cultural activities.

iii) Plan of action above:

1. Formation of Old Student Association (OSA)

OSA has been formed 19 December 2023 at GDC Dhaneta Documentary proof given as under:

(69)

Registration No :

Certificate of Student Alumni (OSA)

2. Up-gradation of Computer Lab:

Regarding up-gradation of computer lab, the proposal has been submitted to the Directorate of Higher Education, Shimla. The documentary proof given as under:

No, EDN-GC-DNT(HMR)/Computer Lab/2024-25/65

Dated: 13/05/24

To
The Director of Higher Education
Himachal Pradesh
Shimla

Subject: Request for grant of Funds to Establish a Computer Lab for College Students Rs. 10 Lakhs approximately.

Respected sir,

With due respect, it is submitted that 65 students are studying in commerce stream in our college and 3 compulsory practicals are prescribed in their syllabus. There is a dire need ~~in~~ to establish a Computer Lab for benefit of the students and particularly for the students of commerce stream. The students and teachers of our college are requesting time and again to establish the computer lab. But due scarcity of funds in the college it is not possible to establish a Computer Lab.

In today's digital age, access to computer facilities is paramount for students to excel in their academic pursuits and prepare for the demands of the modern workforce. Unfortunately, many of our students lack access to adequate computer resources, hindering their ability to fully engage in learning activities and develop essential digital skills. To address this gap and provide our students with the necessary tools for success, we propose the establishment of a computer lab equipped with state-of-the-art hardware and software. This lab will serve as a hub for academic research, practical coursework, and skill development, enabling our students to thrive in an increasingly technology-driven world.

Therefore, it is requested that kindly allocate the necessary funds of **Rs. 10 Lakhs approximately** for the establishment of the proposed Computer Lab. We are hopeful that with your support, we can create a conducive learning environment that equips our students with the tools they need to succeed in the digital age.

Warm regards,

Principal
