For the academic year 2023–2024, I have been assigned 42 mentees from B.Com. 2nd Year and 22 from B.Com. 3rd Year. On August 8, 2023, at 10:30 a.m., the mentees' first interactive session took place in the Examination Hall. Their reasons for pursuing further education were thoroughly discussed. In order to elevate their life, they were urged to pursue higher education with all of their fervor and excitement. The numerous resources offered by the college for their general growth were explained to the mentees. Additionally, they were urged to participate in every extracurricular activity. Each mentee gave the mentor a quick overview of their backgrounds. Furthermore, the mentor made the choice together. The mentor and the mentees also agreed that a test to assess their understanding would be administered on September 18, 2023.
