

## 5.2 Special Initiatives Taken for:

### i. Energy conservation/ use of Solar Energy - Yes

Different initiatives have been taken by the college to ensure the optimal use of energy with minimum wastage. These measures include the replacement of the old bulbs with LED bulbs and tubes wherever possible. The students and staff members are encouraged to switch off the lights, fans and other appliances when it is not required. The special care is taken by purchase committee to procure the energy efficient appliances with maximum energy efficiency star rating.
